The background of the entire page is a light gray marbled pattern. A thick, solid black diagonal line runs from the bottom-left corner towards the top-right corner, dividing the page into two main sections. The top-left section contains the marbled pattern, while the bottom-right section is a solid light gray.

The background of the entire image is a high-resolution marble texture. The top-left portion of the image is a light cream color with intricate, flowing veins of gold and grey. A thick, dark brown diagonal line runs from the bottom-left corner towards the top-right, separating the marble texture from a solid, light beige background that occupies the bottom-right portion of the image.

The background of the entire page is a light-colored marbled pattern, possibly stone or marble, with subtle veins of grey and brown. A thick, dark grey diagonal line runs from the bottom-left corner towards the top-right corner, dividing the page into two main sections. The top-left section is white, and the bottom-right section is a solid light beige color.

The background of the entire image is a high-resolution, close-up photograph of a marble surface. The marble features a complex pattern of veins in shades of grey, white, and black. A sharp, diagonal line runs from the bottom-left corner towards the top-right, dividing the image into two distinct sections. The upper-left section contains the marble texture, while the lower-right section is a solid, uniform grey.

The background of the entire image is a high-resolution marble texture. The top-left portion of the image is a light cream color with delicate, branching veins of light brown and beige. This section is separated from the bottom-right portion by a thick, dark grey diagonal line that runs from the top-left towards the bottom-right. The bottom-right portion is a solid, uniform light beige color.
